Autumn 2016!

KPC has been trialing some new daytime sessions, including “Messy Play” for babies/toddlers on a Tuesday morning—these have proved to be great fun, and a chance for mums to meet with others, have a chat & cuppa while their toddler enjoys some messy fun! We are now engaging with more people from our community, which was our aim. We are continuing to offer a range of daytime support and training for unemployed throughout the week, including literacy/numeracy support, help with developing IT Skills as well as support with job searches, creating a CV, and help with job applications.

In the evenings our young people have the chance to come along to KPC to meet with friends, take part in activities, and have fun! They also learn how to mix with others, and gain communication and team work skills.
