WELSH LANGUAGE POLICY

After consulting with Bridgend County Borough Council, The Welsh Language Board and Menter Bro Ogwr, the Trustees of KPC Youth feel that at present we do not have a need to be totally bi-lingual in our identify and public face. However, we will continue to:

- Actively encourage our Welsh speaking youth workers to speak Welsh with members who understand / speak the language
- Actively encourage comments and suggestions from our members regarding KPC Youth's use of the Welsh Language
- Liaise with Menter Bro Ogwr and their free service re translating our existing letter heads, compliment slips, Aims and Objectives should there be a need to correspond bi-lingually in the future
- When corporate flyers are produced we will consider liaising with Menter Bro Ogwr to ensure these are bi-lingual
- Review our Welsh Language Policy annually and adapt this according to needs of members and funders
